

OPTING-OUT OF BROKER RECIPROCIITY:

Listings may be "Opted-out" as a single instance or for an entire company, by "blanket" order by the Designated REALTOR®

SINGLE INSTANCE OPT-OUT:

- If the "Opted-out" listing is a single instance, the listing agent is required to inform the seller of the "Opting-out" terms, and require the seller to initial the "Broker Reciprocity / IDX disclosure on the MLS Listing Agreement.
- Listing broker must choose "no" in the "IDX Broker Reciprocity" field when entering a listing into the CC&IMLS system if the owner has chosen to have listing "Opted-out".
- It is the listing agents responsibility to disclose to the seller that by Opting-out their listing, it may be included in all Virtual Private Network systems that are viewable on the Internet by the public.

BLANKET OPT-OUT:

- If the DR chooses a "blanket" order, ALL listings maintained by the DR and associated agents must be entered in the CC&IMLS system as "Opted-out".
- A letter confirming the blanket "Opting-out" request must be sent to: Henry J. DiGiacomo, Chief Executive Officer of the CC&IMLS, 22 Mid-Tech Drive, W. Yarmouth, MA 02673.
- Listing broker must choose "no" in the "IDX Broker Reciprocity" field when entering a listing into the CC&IMLS system if the DR has a Blanket Opt-out order in effect.
- Any Designated REALTOR® and agents associated with this company MAY NOT display any Broker Reciprocity / IDX listings on their "Public Access Website".
- Listing Agents are not required to notify the seller when a "blanket" "Opting-out" order is in force.

PUBLIC ACCESS WEBSITES:

- The "Data Push" solution from CC&IMLS will consist of all active CC&IMLS data, this includes "Opted-Out" listings.
- Each participant with a "Public Access Website" is responsible to ensure that the site does not include any "Opted-out" listings, designated as Opted-out (by a "no" in the "IDX Broker Reciprocity" field) in the CC&IMLS system.
- It is the responsibility of the Designated REALTOR® of each company to ensure that listings flagged as Opted-Out are omitted from the data posted to any Public Access Website under their jurisdiction (including their agents sites)

VIRTUAL PRIVATE NETWORKS:

- Opted-out listing may be included in all Virtual Private Network systems and will be then viewable by the public.
